The diagram illustrates a class hierarchy. At the top is a box labeled 'xenoCommunication'. Below it are three boxes: 'IcoConnection' on the left, 'IDDPconnection' in the center, and 'XDPPconnection' on the right. A horizontal line connects the top of these three boxes, and a vertical arrow points from the center of this line up to the bottom of the 'xenoCommunication' box, indicating that the three lower classes inherit from the top class.
